Luke 19: 28-44

Worship is our active response to God whereby we declare His worth.

1. Worship is _____, so we must deliberately decide to worship.
2. Worship is _____, so don't allow self-centeredness to prevent it.
3. Worship is _____, so let yourself go.
4. Worship is _____, so align your soul with all of creation.
5. Worship does not avoid _____, so expect to feel disappointment.
